cOnnect Day

Saturday November 21, 2020 • Online

10:00 **Welcome**

10:05 **Panel Presentation**

***Occupational Therapy Practice and Telehealth:
Providing Quality Care in a Changing Context***

While telehealth has been used by some health care providers for many years, the global COVID-19 pandemic has encouraged many OTs to quickly introduce it into their practice to support continuity of care. Come listen as a panel presents information on the evidence, key regulatory considerations, and practical strategies occupational therapists should consider if incorporating telehealth into their practice — during the pandemic and beyond!

The session will be recorded and made available to watch online.

11:15 **cOnnect with UBC Department of Occupational Science and Occupational Therapy**

11:40 **cOnnect with COTBC**

The College is excited to celebrate its 20th year of registering occupational therapists in British Columbia! Come listen as COTBC shares some of its key milestones and updates.

12:05 **cOnnect with CAOT-BC**

CAOT-BC will share highlights of this year's activities and present the 2020 Outstanding OT of the Year award.

12:30 **Closing Remarks**
