About the College

Our role is to ensure that the public receives safe, ethical and effective occupational therapy services. We strive to maintain and build your confidence in the College and the occupational therapy profession by:

- Setting standards for practice and ethical conduct,
- Registering only those occupational therapists who meet established education and practice standards,
- Responding fairly to concerns and complaints raised about registrants' practice,
- Monitoring and supporting registrants' continued competence.

Our Mandate

In accordance with the *Health Professions Act*, the mandate of COTBC is to serve and protect the public and act in the public interest.

Our Mission

To protect the public by regulating occupational therapists to provide safe, ethical, and competent care.
